The STARfire™ Series Gas Fireplaces. Endless Choices.

Created with Napoleon's state-of-the-art gas fireplace technology, the STARfire™ Series offers a wide range of heat output and advanced burner technology.

The STARfire™ Series offers something for everyone with three distinct burner choices. The realistic hand painted TALL FLAME PHAZER® log set is rich in detail and creates a towering show of flames, the PHAZER® OAK log set disburses flames across the width of the firebox for a traditional hand built fire appearance, and the Fire Cradle hosts a bed of dazzling CRYSTALINE® glass embers that glitter under the mass flame for a modern spectacle.

Additional media kits and enhancement kits are available to create your own personal look, ensuring a fireplace experience you will love today and forever.
